EMPLOYEE CAMPAIGN COORDINATOR GUIDE

FY 2020-2021

Head of the Lakes United Way
Dear Employee Campaign Coordinator,

Thank you for making the decision to lead your organization’s Head of the Lakes United Way giving campaign. Your dedication and commitment to improving our community is greatly appreciated. In your role, you’ll educate your coworkers about our community's needs and how United Way is making an impact, and you’ll inspire them to join the effort and make a difference with their gifts.

I cannot thank you enough for being a part of our team and working with us to solve some of our region’s most difficult challenges. Now more than ever, your support is crucial to our success. At United Way, we work to ensure families can meet their basic needs, that children are ready for school, and that people are equipped with skills to build a better life. We change lives, and we simply could not do it without your support.

This guide, as well as our Virtual Campaign Toolkit, will help you run your campaign. We’ve included tips and tricks to help make your campaign a success, as well as materials that will support you in spreading the word about United Way. Please feel free to contact our team any time with questions, ideas or feedback. We are glad to offer our guidance and support.

Again, thank you for taking on this task. Our mission is critical to improving lives throughout our region. Together, we make it happen.

Invest in your community. Give where you live.

Thank you for choosing to Live United.

Yours sincerely,

Matt Hunter
President

WHAT IS AN EMPLOYEE CAMPAIGN COORDINATOR?

Employee Campaign Coordinators (ECC) are key to the success of every organization’s United Way fundraising campaign. As the Employee Campaign Coordinator (ECC), you serve as the connector between United Way and the employees of your organization. With the materials and support we provide, you will educate your colleagues about United Way’s vital role in the community and provide them with an opportunity to give, advocate and volunteer with us. Whether you volunteered or were asked to take on this role, we appreciate you, and we are here to help!

WHAT IS A WORKPLACE CAMPAIGN?

The workplace campaign is crucial to supporting United Way. During your organization’s United Way campaign, employees make their annual pledge and participate in events to raise funds that support our work in the community. Lasting from a week to a month, workplace campaigns should be:

**FUN**
- We encourage you to set up events to promote the campaign and bring employees together.

**EDUCATIONAL**
- The most important reason to have a campaign is to raise awareness about United Way’s impact. You should use your campaign period to inform colleagues about United Way’s work through videos, posters and speaking events.
- These items can be located online at [hlunitedway.org/campaignmaterials](http://hlunitedway.org/campaignmaterials) or you can contact our team at Head of the Lakes United Way for assistance.

**ENGAGING**
- Running a workplace campaign not only benefits the community, but it can also improve workplace morale and employee engagement. Giving employees the opportunity to give back at work is becoming increasingly important for workers and job seekers.
- Your effort and dedication to our work is appreciated more than you know. We encourage you to set up a campaign committee to divide responsibilities throughout your organization, and remember that Head of the Lakes United Way staff are available to help every step of the way. Please don’t hesitate to ask for assistance or ideas.

ENGAGE WITH UNITED WAY

Head of the Lakes United Way provides opportunities year-round for organizations to get involved. By engaging in volunteer programs and outreach, employees will have a higher satisfaction in the workplace. In addition, people who volunteer and are engaged with United Way are more likely to donate. We encourage you to consider supporting United Way in multiple ways. There are six different ways to engage. Join the challenge to participate in all six.

EMPLOYEE WORKPLACE CAMPAIGN

Host a Workplace Campaign allowing United Way to share information with employees, and to collect payroll or one-time donations. Read on for specific instructions, tips and tricks on holding an effective workplace campaign.

ORGANIZATIONAL (CORPORATE) GIFT

Contribute a monetary gift at the corporate or organizational level.

SPECIAL EVENTS (HELD ON BEHALF OF HLUW)

Organize special events where proceeds are donated to United Way such as a golf tournament or bike swap. On a smaller scale, hold internal workplace events such as auctions, bowling events, etc.

SPONSORSHIP (MONETARY OR IN-KIND)

Sponsor United Way events/activities, or provide an in-kind donation of a product or service. We offer many options for partnering through sponsorship. For more information, please visit our website at hlunitedway.org or contact Rachel Loeffler-Kemp at 218-726-4771.

LEADERSHIP GIVING

Recruit Leadership level donors giving $1000 or more per individual/combined giver relationship. Additional information on the Lake Superior Leadership Society is available in the Special Gifts section of this guide (Page 17).

VOLUNTEER

Take part in volunteer opportunities with United Way such as Day(s) of Caring. Organize an on-site speed volunteering project at your workplace. For ideas, visit volunteerhluw.org and view/download a packet of “Speed Volunteering Projects.” Other opportunities include serving as a HLUW Board member, committee member or Community Investment panelist.

10. Giving Back Feels Good!
It’s JUST that simple. Donate today at hlunitedway.org/donate.
Prior to your organization's campaign kickoff, send emails to employees to educate and motivate them to give. Include a message from your President or CEO or consider hosting a company-wide event with presentations and CEO appearances.

As the Employee Campaign Coordinator (ECC) for United Way, you can help your colleagues understand the importance of their gift. Our team at Head of the Lakes United Way is here to help you every step of the way. We have created several assets to communicate the value of United Way's work in our online toolkit at hlunitedway.org/campaignmaterials including:

- Videos
- Posters
- Infographics
- Sample letters
- Campaign Brochure
- United Way Logos

You can share this information during presentations and via your employee communications, such as intranet, voicemail, announcements, bulletin boards, email, management endorsement letters, newsletters, paycheck stuffers and social media.

Be sure to encourage colleagues to follow us on Facebook, Twitter, LinkedIn and Instagram to stay updated.
The #1 reason people do not give is because they are not asked! So please ask everyone. United Way believes that giving is a personal decision. Make sure that everyone has the opportunity to learn about how United Way changes lives and how each contribution drives our mission forward.

Start at the top – ask company leadership to set the example by making their contributions early. Remember to include off-site and remote employees and highlight corporate support, especially if your company has a program in place that matches employee donations.

You can make the ask:
- Personally
- At campaign events
- At staff meetings
- At leadership events
- Via email and social media

Ensure that your campaign team has the opportunity to speak with all employees. Here are some ways to connect:
- Keep regular totals and give progress reports to your CEO, team, organization.
- Publicize campaign results throughout the organization.
- Track contributions by asking all employees to return pledge cards to you (even if they do not make a gift).
- Ask retirees to make a planned gift.
- Set an average gift goal for your company and incorporate an incentive.
- Hold a special Leadership Society solicitation/recognition event.
- Include names of Leadership donors on the intranet/newsletter/etc. (with their permission).
- Set participation rate as a company goal.
- Hold a raffle for everyone who donates (prime parking spots, days off, gift cards, etc.).
- Hold competitions between stores/branches/locations/departments based on participation rate.
- Offer a casual dress day to everyone who donates.
- Offer an opportunity to win United Way swag.
THANK

It is just as important to officially close the campaign and thank people as it is to begin the campaign.

• Thank employees for their participation, time and support individually through a CEO recognition letter.
• Recognize your team and others who volunteered their time.
• Publicize your results via email, voicemail, intranet, newsletters, social media, etc.
• Celebrate your success.

RECOGNITION
