Head of the Lakes
United Way

HEALTH

We make it easier for individuals to access mental health and substance abuse programs, receive quality health care, and access nutritious food. We're striving to help everyone get – and stay – healthy.

EDUCATION

We're seeking to shift the odds so tomorrow's leaders can build a better foundation today. With an approach to education that spans from cradle to career, we're ensuring every child gets a strong start in life, teenagers have the tools to learn and grow, and young adults thrive in the job market.

FINANCIAL STABILITY

We're striving to put every person, in every community, on a path toward financial empowerment. That starts with access to housing, job training, credit counseling, and money management programs.
