EMPLOYEE CAMPAIGN COORDINATOR

Employee Campaign Coordinators (ECC) are key to the success of every organization's Head of the Lakes United Way (HLUW) fundraising campaign. As the ECC, you serve as the connector between United Way and the employees of your organization. With the materials and support we provide, you will educate your colleagues about United Way's vital role in the community and provide them with an opportunity to give, partner, and volunteer with us. Whether you volunteered or were asked to take on this role, we appreciate you, and we are here to help!

WHAT IS A WORKPLACE CAMPAIGN?

During your organization's workplace campaign, employees make their annual pledge and participate in events to raise funds that support HLUW's work in the community. Lasting from a week to a month, workplace campaigns should be:

FUN

We encourage you to set up events to promote the campaign and bring employees together.

EDUCATIONAL

The most important reason to have a campaign is to raise awareness about HLUW's local impact and inform your colleagues about our work. Educational campaign materials can be found at: hlunitedway.org/campaign-materials or you can connect with your HLUW contact for assistance.

ENGAGING

Running a workplace campaign doesn't just benefit the community, it also improves workplace morale and employee engagement. Providing employees with the opportunity to give back to the community at work is becoming increasingly important for employees and job seekers.

THANK YOU!

Your effort and dedication to our work is appreciated more than you know. Remember that we are available to help every step of the way. Please don't hesitate to ask!

Head of the Lakes **UNITED WAY**

STRONG CAUSE

MISSION

To strengthen our communities by uniting people and resources.

VISION

We are striving to improve the health, education, and financial stability of EVERY person in EVERY community we serve.

STRONG PURPOSE

Since 1922 we've been confronting the critical issues facing individuals in our community. Today, we tackle those issues by organizing and fundraising, mobilizing hundreds of volunteers, and connecting people with the resources they need.

In addition, we provide funding to over 30 partner agencies throughout the regions we serve, which include Ashland & Bayfield Counties, Greater Duluth, Lake & Cook Counties, and Superior-Douglas County.

STRONG IMPACT

Working together with our community partners, our volunteers, and donors like you, we've been able to positively impact the lives of so many in our communities. We believe in the power of working together to create lasting change across Northeast Minnesota and Northwest Wisconsin. United is the way to strengthen our communities.

COMMUNITY PROGRAMS AND INITIATIVES

Our Community Investment Process provides funding to nonprofit programs focused on health, education, and financial stability. More than 30 local nonprofit organizations benefit from the community-led process.

VOLUNTEER CENTER

The HLUW Volunteer Center serves as a “one-stop-shop” for individuals and groups looking for volunteer opportunities in our communities.

United Way 211 is a FREE, nationwide service offered 24/7 to anyone seeking information and referrals regarding local resources.

Community Services is a partnership with AFL-CIO that supports working families and strengthens our communities.

Creating lasting change means stepping up to meet emerging needs. HLUW leads a variety of initiatives across the region. To learn more visit our website at: hlunitedway.org

SERVICE AREAS

HLUW serves **Ashland & Bayfield Counties**, and **Superior-Douglas County** in Wisconsin as well as **Greater Duluth Area** (Duluth, Hermantown, Proctor, Rice Lake, and the township of Duluth, Solway, Grand Lake, Fredenberg, Gnesen, Normanna, Canosia, Lakewood, and Midway) and **Lake & Cook Counties** in Minnesota.

FOCUS AREAS

HEALTH

We make it easier for individuals to access mental health and substance abuse programs, receive quality health care, and access nutritious foods. We're striving to help everyone get - and stay - healthy.

EDUCATION

We're seeking to shift the odds so tomorrow's leaders can build a better foundation today. With an approach to education that spans from cradle to career, we're ensuring that every child gets a strong start in life, teenagers have the tools to learn and grow, and young adults thrive in the job market.

FINANCIAL STABILITY

We're striving to put every person, in every community, on a path toward financial empowerment. That starts with access to housing, job training, credit counseling, and money management programs.

OUR WORK IN ACTION

WHAT DOES HLUW DO?

We bring people and organizations together to do more than any of us can do on our own. Employers, nonprofits, government, educators, labor, health providers, community leaders, you, and many others partner with us. Together, we tackle some of our community's toughest issues. We find solutions that create real change. Together we're making progress toward stronger communities.

HOW DONATIONS ARE USED

As community support grows, so do the programs, services, and opportunities we can provide. Join your neighbors, friends, and co-workers in a movement dedicated to creating stronger communities.

HEALTH

We're striving to help everyone get, and stay, healthy. From mental health to dental health, food access to care access. Programs to help our community's most vulnerable. From access to health care to transportation to appointments to making sure families have working smoke detectors.

EDUCATION

We approach education from all different angles. Building tomorrow's leaders through group programming, after school programs that promote learning outside the classroom, and even educating the community on how to keep each other safe.

FINANCIAL STABILITY

A strong financial future requires more than a steady paycheck. We're seeking to give our community financial freedom and peace of mind. That starts with access to housing, job training, credit counseling, and money management programs.

ENGAGE WITH UNITED WAY

Head of the Lakes United Way provides opportunities year-round for organizations to get involved. By engaging in volunteer programs and outreach, employees will have a higher satisfaction in the workplace. In addition, people who volunteer and are engaged with HLUW are more likely to donate. We encourage you to consider supporting HLUW in multiple ways.

➤ **EMPLOYEE WORKPLACE CAMPAIGN**

Give your employees the chance to engage with their community by hosting a workplace giving campaign. Share information about needs in the community with employees and offer the opportunity to donate through payroll deductions or one-time donations.

➤ **ORGANIZATION GIFT**

Contribute a monetary gift at the corporate or organizational level.

➤ **SPECIAL EVENTS HELD ON BEHALF OF HLUW**

Organize a special event with proceeds benefiting Head of the Lakes United Way (HLUW), such as a golf tournament or bingo. On a smaller scale, hold internal workplace events such as silent auctions, bowling events, potlucks, round-ups, fishing tournaments, etc.

➤ **SPONSORSHIPS & IN-KIND DONATIONS**

Maximize the visibility of your partnership with HLUW and capitalize on marketing opportunities by sponsoring the 2026 campaign year, or provide an in-kind donation of a product or service.

➤ **VOLUNTEER**

Take part in group volunteer opportunities with HLUW such as Day(s) of Caring or an on-site kit-building project at your workplace. Currently, HLUW is looking for groups to help complete hygiene kits to distribute locally.

For ideas, visit: hlunitedway.org/volunteer

➤ **ALICE PRESENTATIONS**

HLUW offers presentations and interactive experiences to help the community better understand the daily challenges faced by ALICE households. ALICE stands for Asset Limited, Income Constrained, Employed. These tools are designed to build empathy, spark conversation, and inspire action toward lasting solutions.

➤ **LEADERSHIP GIVING**

Recruit Leadership level donors giving \$1,000 or more per individual/combined giver relationship. Additional information on the Lake Superior Leadership Society is available on our website at hlunitedway.org or contact Erin Grabinger at 218-726-4771

INSPIRE. ASK. THANK.

INSPIRE

Prior to your organization's campaign kickoff, send emails to employees to educate and motivate them. Include a message from your President/CEO or consider hosting a company-wide event with presentations and CEO appearances.

As an Employee Campaign Coordinator (ECC), you can help your colleagues understand the importance of their gifts. Visit: hlunitedway.org/campaign-materials to find items to help inspire your team, including:

- Campaign video
- Program information
- Sample emails

You can share this information during presentations and via employee communications such as email, announcements, bulletin boards, management endorsement letters, newsletters, and social media. An easy way to inform your team is by sharing the campaign video or inviting your HLUW contact in to give a presentation.

Be sure to encourage colleagues to follow HLUW on Facebook, Instagram, and LinkedIn to stay updated throughout the rest of the year.

ASK

The number one reason people do not give is that they are not asked. So please ask everyone. We believe that giving is a personal decision. Make sure that everyone has the opportunity to learn about how HLUW changes lives and how each contribution drives our mission forward. Remember to include off-site employees and highlight any corporate match opportunities.

EMPLOYEE CAMPAIGN WRAP-UP

Thank all those who participate at every step along the way. Thank employees for their support, and don't forget to recognize your team and others who volunteered their time. Publicize your results via email, newsletters or social media to celebrate your success!

HLUW also appreciates the chance to thank your team. This includes thanking individual donors when they share their contact information, appreciating your organization through awards and recognition at our annual Celebration Luncheon, and recognition of your team through big check presentations and social media appreciation.
